

Integrated with Microsoft Dynamics 365 Fundraising & Engagement

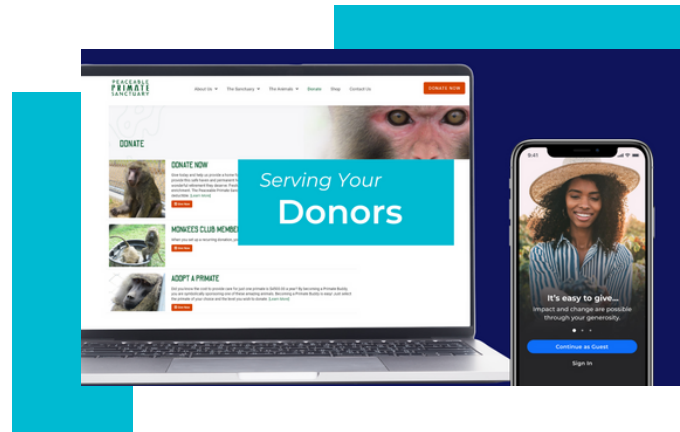

Comprehensive Fundraising Management

Natively integrated with Fundraising & Engagement, Vision2 provides better donor experiences and streamlined fundraising management.

Vision2 helps nonprofit organizations increase their impact with:

- Better donor experiences
- More effective prospecting
- Streamlined fundraising management

Vision2's media-rich giving experience provides the engaging giving experience today's donors expect, while handling all the complexities to provide your team with true simplicity at every point.

Our **real-time, bidirectional sync** means your data will always be up-to-date for:

- Contacts
- Transactions
- Households
- Campaigns
- Organizations
- Designations
- Anonymous gifts

The Vision2 Difference

ZERO-COST PLATFORM

Transparent processing fees with NO monthly/annual platform fees. Just transparent and fair processing fees.

STRATEGIC

Our Microsoft Dynamics 365 Fundraising & Engagement integration provides your fundraising teams the tools they need to elevate your cause and your donors with a giving experience that increases generosity.

SERVICE-ORIENTED

Real, live U.S.-based support team with an average response time of < 1minute and an unwavering commitment to service.

COMPREHENSIVE

Full online capabilities that includes next-gen mobile giving. No app to download or app store fees or applications.

STREAMLINED

Our team of cross-functional professionals do all the heavy lifting for migration. You can stay focused on your cause.

LEADERSHIP DRIVEN

Founded by a professional with over 29-years of technology experience and a mission to provide nonprofits with better tools to engage donors and inspire generosity.

Your Mission is Important.

No Need to Settle for a Fundraising Platform When You Can Have a Fundraising Partner.
