

We're here to help.

Our calling is to serve the church out of love. For us, that means ...

Envisioning how we can help the church have a greater impact on people's lives

Engaging givers with meaningful experiences

Empowering hardworking church staff who wrestle with inadequate tools

Enabling leadership to understand their church's financial health so they can look to the future

Embedding generosity into our every business practice and giving innovation

Our commitment:

We pledge to continue innovating so you can focus on doing good in the kingdom.

More than giving software.

A true solution like Vision2 solves your church's giving challenges.

While most giving platforms primarily collect financial gifts, Vision2 is so much more. We are the only comprehensive giving and stewardship solution. **We are your partner.**

Comprehensive is just our way of saying we:

- Cover every aspect of giving
- Automate everything from start to finish
- Manage all the complexities to give you true simplicity at every point
- Function as a full-service extension of your team

Our promise:

As your partner, we'll support you every step of the way.

Putting you first.

Anticipating the giving needs of every user, we forge new pathways that have been refined through years of experience and millions of transactions.

Vision2 serves your:

Givers

- Tailored giving designations and personalized acknowledgements inspire generosity
- Embedded giving forms on your website and all communications from your church reduce gift abandonment and build trust
- Robust, simple self-service portal lets givers manage personal information, including recurring gifts and pledges

Support Staff

- Comprehensive online and offline giving and automated reconciliation, including reversals
- Detailed subledger with GL output tailored to your accounting solution and chart of accounts
- Bidirectional, real-time synchronization with your ChMS
- Full-service team of accounting, design, content and technical experts do the heavy lifting wherever you need it
- No monthly fees, giving limits or velocity limits

Leaders

- Flexible analytics and detailed reporting for a ministry-first approach to giving through targeted-action follow-ups
- Customized, auto-published dashboards delivered via email or text
- Actionable data for proactive oversight and forecasting of your church's financial health
- Tools to support your congregation's financial discipleship

Our mission:

You can count on us to help you engage your church and community more effectively.
